

Enjoy Remaining Activities

The Dolphin Cove Activities Center includes two buildings; the Bingo Hall and Activity Hall. Behind that area you'll find a boat launch and fish cleaning area. Most activities take place in this activities area, however, the Sandpiper Pavilion is often used for Zumba classes, weather permitting. (if weather issues it's at the activity hall). If you are unsure of the location of an event, ask around or call activity director. Some activities will be ending in mid March so check with the Leader of an Activity to determine the ending date.

CALENDAR

Our calendar is by no means all inclusive. You can find other events and things to do in some of the publications found at businesses, visitor center and at the park office. The Rio Grand Valley also has a website to help you find things to do; <http://www.rgvproud.com/calendar#/>

If you have events to report so they can be included on the next calendar send that info to; veh02gw@yahoo.com

ENTERTAINMENT

Saturday night entertainment is completed for this season. We had some fantastic entertainers who really kept our toes tapping and hands a clapping. Remember if you return next year that this talent is brought to you at a very reasonable charge. Southern Anthem (Pausewing family) topped the charts with Logan an 11 yr old who played fiddle like a champ. Singing along with the rest of his brothers, sisters and Mom rounded out this favorite. The Daddy D's, Loren Wolfe, JC Bullock Sherwin Linton and Helen Russell joined Southern Anthem and some will return next year. Hope to see you at a show then.

Office and Emergency Numbers

Park Police or Emergency 911

Police non-emergency 956-761-5283

Park Office 956-761-5494

Park Office after hours emergency 956-204-4501

Park Ranger Dispatch 956-544-6860

Seminars and educational presentations are planned regularly. They may be about your RV, your health, insurance or other topics. We hope you'll take advantage of the fact that they are conveniently brought directly to us. Health and wellness seminars provide convenient/reasonable means of checking your health. Some require sign ups, some not, so watch bulletin boards in office or activity hall and listed for announcements at Bingo.

VOLUNTEERS APPRECIATION

Most activities are organized and conducted by volunteers. Some offer to organize activities, host classes, serve meals, set up and take down chairs and even to do dishes. We just couldn't do it without volunteer help.

An appreciation dinner was proved to honor the volunteers Feb 26th. Just a small thank you for BIG jobs well done.

VOLUNTEERS NEEDED - HOW WOULD YOU LIKE TO?

New activities are welcome. If you have ideas, please share them and of course volunteer to help with it.

We are especially looking for someone with the skills to keep up our website. If you are that person, or know someone, please contact Vicky. 816-769-7700.

Next year we would like to use the horseshoe pits and have regular games. If you are the person that could attend on a regular basis, organize games, manage equipment, we are looking for you. Please call Vicky 816-769-7700

PLEASE REMEMBER TO CLEAN UP AFTER YOUR PET

March 2017
